

Bank Deposit Operations

This position in Stillman Valley requires a highly detail-oriented individual to perform a variety of administrative functions related to customer deposit accounts. Significant work experience requiring the application of accounting and bookkeeping principles is required. A background in the banking industry and experience in a leadership role is also highly preferred. Proficiency with Microsoft Excel, Word and the Intranet is also required along with strong math and data entry skills. Education beyond the high school level or equivalent relevant experience is needed. This position requires availability to work extended hours.

If you desire to work in a friendly, professional environment in the field of community banking and finance, you are invited to complete an employment application at any of our locations, or you can complete an application on our website at www.stillmanbank.com and submit it to us in person, by mail or electronically. Please specify the position you are seeking.
