

Mortgage Underwriter

Our community bank has an excellent opportunity to join our mortgage lending team as an Underwriter. Based at our office in Rockford, this position examines and evaluates mortgage loan applications to determine quality and conformity to internal lending specifications and government regulations. The ideal candidate will have at least three years residential mortgage underwriting experience or 5+ years of mortgage loan processing experience. FNMA/FHLMC experience also preferred. Strong financial analysis and computer proficiency skills are needed to be successful in this position.

Interested individuals are invited to provide a cover letter and resume detailing their experience and salary requirements to:
