

EDUCATION IN ACTION

Financial Literacy Month

In partnership with **Money Smart Week** of Northern Illinois and the local public libraries, we offer **RETIREMENT PLANNING SEMINARS** through our **Trust** and **Asset Management** department.

Since 2011, Stillman Bank has sponsored the **EVERFI™ FINANCIAL LITERACY PROGRAM** at Stillman Valley High School. **Over 500 students** have participated in the program as a part of their **Consumer Education class**.

Annually, our **Systems Administrator** visits local schools, retirement communities and local Chambers of Commerce to educate people about **CYBERSECURITY AND IDENTITY THEFT**.

We send out a monthly **TRUST NEWSLETTER** to provide timely information and tips to our customers about trust topics including **estate planning, investment management, retirement** and more.

In 2018, Stillman Bank began hosting **HOME BUYING AND SELLING SEMINARS**. These seminars, presented in a panelist style format, focus on the keys to **buying and selling a home** in the current market.

We host a **blog** on our website, entitled "**STILLMAN 2 CENTS,**" where we post informative content about various **financial topics** including trust, real estate, cybersecurity, and more.

Throughout the **academic year**, several of our employees visit **LOCAL SCHOOLS TO EDUCATE STUDENTS** about credit scores, student loans, small-business and other **financial basics**.

In 2018, we partnered with **HOMESTART**, a community organization that helps connect people and families to **beneficial, affordable housing resources** and offers **financial literacy workshops**.

Stillman Bank was honored to be chosen as the 2018 recipient of the **ILLINOIS BANK FINANCIAL LITERACY AWARD**. This award, presented by the Illinois Bankers Association, recognizes an Illinois bank that provides **critical training** and **key financial resources** in a progressive and thorough manner to residents in their communities.
