

Treasury Assistant

Our community bank has an excellent opportunity to join our Treasury Department as Treasury Assistant in our Rockford office. This position provides administrative support for all treasury-related activities, including maintenance of financial records, logs, spreadsheets and registers, and may also provide occasional support for our Trust and Wealth Management Department. The ideal candidate will be degreed in an accounting, finance or economics field of study along with at least three years finance or cash management experience. A basic understanding of bonds is preferred. Strong math skills are required for success in this position, along with good analytic and computer proficiency skills. Previous bank experience preferred.

Interested individuals are invited to provide a cover letter and resume detailing their experience and salary requirements to:
