

Trust Operations Manager

Rockford

Stillman Bank is seeking an individual to provide operational management and oversight in our growing Trust and Wealth Management Department. This position will be based at our Rockford office and will be responsible for managing the day-to-day operation of the department. This individual will be a strategic thinker who will assist in developing and executing operational efficiency and growth plans in compliance with regulatory requirements. A bachelor's degree along with specialized training and education in the financial field is preferred, along with several years of progressively responsible experience in trust and investment operations. Strong analytical and communication skills are also needed along with a genuine desire to provide exceptional service to our clients.

If you are interested in exploring this outstanding opportunity to join our highly-respected community banking organization, we would like to talk to you. Applications are available at any of our six office locations, or from our website at www.stillmanbank.com.
