

# LOCK DOWN YOUR IDENTITY WITH

## FREE SECURITY ALERTS

Protect yourself against the threat of identity and personal information theft. Stillman Bank Visa® Credit Cardholders are now able to enroll for **FREE security benefits:**

### ID Protect

Powered by NortonLifeLock™

#### Data Breach Notifications

Sends notifications on large-scale breaches so you can act quickly should a breach affect you.

#### Dark Web Alerts

Scans the dark web and notifies you if your personal information has been exposed.

#### ID Theft Assistance

Provides guidance to help you cancel or replace key documents should you ever be a victim of identity theft.

#### Credit Report Monitoring

Detects and alerts you of suspicious activity the moment it is noticed.

*Please note: This does not include credit score monitoring*
