

How to Re-Enroll in eStatements

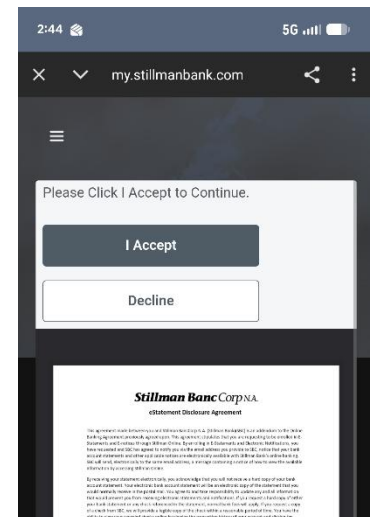

A. Online Banking (Web)

1. Log in to Online Banking from your computer browser (<https://my.stillmanbank.com>).
2. From your Dashboard, select the “E Statements” button.
3. The next screen will take a moment to load. You will be presented with the eStatement Disclosure Agreement. When you are ready to move forward, click on “I Accept” towards the top left of the agreement.
4. You are now enrolled in eStatements for **all** of your accounts. When the next screen loads, you’ll be able to view your 2-year history of statements.
5. To return to Online Banking at any time, click on Dashboard on the left.

B. Mobile App (Android & iOS)

1. Open the Mobile App and sign in.
2. Locate and tap the “E Statements” button from your dashboard.
3. The next screen will take a moment to load. You will be presented with the eStatement Disclosure Agreement. When you are ready to move forward, tap on “I Accept” above the agreement.
4. You are now enrolled in eStatements for **all** of your accounts. When the next screen loads, you’ll be able to view your 2-year history of statements.
5. To return to your other Online Banking screens, tap the X in the top left corner.

If you would prefer to receive a paper statement for a specific account, you may change your delivery preference by selecting the Menu option within the eStatement dashboard, then selecting Delivery Preferences. Select the account you'd like to receive paper statements for, then select “Change to Printed and Mailed.” Statements that are printed and mailed may incur additional fees.
